

Saratoga Sponsor-A-Scholar received a \$1,000 grant from the Saratoga Gaming and Raceway Foundation at the Saratoga County Board of Supervisors Meeting on December 16, 2008. On hand to accept the grant award were (left to right) SSAS Board Chair Lewis Titterton, Sponsor-A-Scholar students Stephanie Charboneau and Dylon Wilson and SSAS Acting Executive Director James LaVigne.

“We are both honored and grateful to have been selected for this award. The donations we receive are treasured investments from the community and the young adults in our program will definitely provide a return on that investment to the fabric of our community.” said Saratoga Sponsor A Scholar Board member, Lew Titterton.
